PAPE'S DIAPHRAGM  
MEN MAY STOP

Reported in Clifton Copper  
Company's Office Men  
May Be Dropped.

Clifton, Ariz., Oct. 22.—It was reported here today that the Shannon Copper company, one of the companies now tied up by the copper strike, had issued orders for the men of its office men of the company to stop at once.

The report was taken here to mean that the operators were "standing pat" on their position and did not intend to accept any of the strikers' terms of peace but would continue to hold out against the demands of the men.

J. W. Butts, manager of the Shannon Copper company, who is chairman of the "peace conference" here, declined to make any statement Friday afternoon regarding the report from Clifton. "I have nothing to say and do not care to discuss it," said Mr. Butts.

Definite news that Joseph H. Myers is on his way from Phoenix to make an investigation for the federal department of labor of wage and working conditions in the Clifton-Morenci-Midvale district, is expected hourly by the strikers. They have rebuffed their efforts to marshal evidence and witnesses for the expected hearing. As the hearing is under way at El Paso, they hope that facts disclosed at the trial will be of such nature as to compel the operators to come to terms.

Dissatisfaction for 12 Years.  
The strikers hope to prove that dissatisfaction among the working men has been brewing for 12 years. That when employees with the legitimate grievances tried to see the managers they were coldly told to see subsidiaries; that miners were compelled to come through the foreman and submit to his whims; that the average wages paid have been much lower than the prevailing rates; that since the strike began, the stories told by "refugees" are greatly exaggerated and, in many cases, manufactured.

Impouring Tide Of Gold  
Makes Task Of Melting  
It Burden To Assayers

New York, Oct. 22.—So great has been the tide of gold poured into New York to pay the war bills of the belligerent nations, that the task of melting it up to be coined has become a burden to the United States assay office here. They are working longer than they ever did before to melt the gold and bullion deposited by bankers for gold instead of diminishing.

SYRUP OF FIGS  
FOR CROSS, SICK  
FEVERISH CHILD

If little stomach is sour,  
liver torpid or bowels  
clogged.

Mothers can rest easy after giving "California Syrup of Figs" because in a few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again. Children simply will not take the time from play to empty their bowels, and they become tightly packed, liver gets sluggish and stomach disordered.

When cross, feverish, restless, see if tongue is coated, then give this delicious "fruit laxative." Children love it, and it can't cause injury. No difference what the cause, whether full of cold, or a sore throat, diarrhoea, stomach-ache, bad breath, remember, a gentle "inside cleanser" should always be the first treatment given. Full directions for babies, children of all ages and grown-ups are printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then look carefully and see that it is made by the "California Fig Syrup Company." We make no smaller size. Hand back with contempt any other fig syrup.—Adv.
